### **ACTR Going to Fair and Field Days**

For the fourth year in a row, Addison County Transit Resources (ACTR) will be partnering with Addison County Fair and Field Days (ACF&FD) to provide expanded Tri-Town Shuttle service for Middlebury, Bristol, New Haven and Vergennes residents to the weeklong celebration of Addison County's agricultural community.

"We are pleased to collaborate with ACTR so that the county's many non-drivers have a way to come to our event," Cara Mullin, ACF&FD's Business Manager, said. "It is also a great opportunity for those with cars to let someone else do the driving and not worry about parking."

From Tuesday, August 7 through Friday, August 10, ACTR's Tri-Town shuttle bus will be connecting with the Field Days site twice a day. On Saturday, August 11, service will be expanded to run continuously between 11 am and 7 pm. Through the generous sponsorship of the Fair and Field Days organization, this service will be free to all riders. For a detailed schedule, call ACTR at 388-1946 or visit [www.actr-vt.org](http://www.actr-vt.org).
